### **Boss Power Announces Execution of the Definitive Agreement for the Bell Mountain Project, NV**

Boss Power Corp. (TSX.V: **BPU**) ("**Boss Power**" or the "**Company**") is pleased to announce that it has completed a transaction with Laurion Mineral Exploration Inc. ("Laurion"), to acquire their position in the option to earn the title to the Belle Mountain Project through the payment of \$650,000 CDN to Laurion from Globex Mining Enterprises Inc. The purchase includes the prior expenditures made by Laurion towards the option obligations and all technical information on the project in Laurion's possession.

It is the intent of Boss to complete all remaining option obligations to earn the property from Globex Mining Enterprises Inc.

Boss also wishes to announce that they have retained the services of Mr. Tony Perri as an Investor Relations consultant under an informal arrangement for \$900 a month. Mr. Perri has been involved with Investor Relations for publicly traded companies for over 12 years. Over the past nine years, Mr. Perri has helped raise over \$50 million in private placement financings for a number of junior resource companies.
