## Eros Resources Appoints Ron Stewart as President & CEO

Eros Resources Corp. (TSX.V: ERC) (“Eros” or the “Company”) is pleased to announce that Mr. Ronald (Ron) Stewart has been appointed President and Chief Executive Officer effective December 1, 2016. Mr. Stewart will replace Mr. Ronald Netolitzky, who will remain on the board as a director and technical advisor on the company’s project generation effort.

Mr. Stewart has over 30 years of experience in the mining industry including senior management and executive positions with major gold producers and more recently as a top-ranked equity analyst in the capital markets industry. He was team leader on two major gold discoveries, the Musselwhite mine in Northwestern Ontario and the Wallaby deposit in Western Australia. As President and CEO of Verena Minerals (renamed Belo Sun Mining) he focused the company on the advancement of the now five million ounce Volta Grande gold deposit in Brazil. He was recognized as the top stock-picker in the metals and mining sector by Starmine and as a Top Gun analyst by Brendon Woods.

Mr. Netolitzky, President and CEO of the company, commented, “We are very excited to have Mr. Stewart step in to this role and lead Eros in its next chapter of growth. Our goal is to create significant shareholder value through the acquisition and advancement of a portfolio of resource projects and investments in North America. We believe Mr. Stewart’s background is ideally suited to achieve this end and I look forward to working with him.”

### About Eros

Eros Resources Corp. is a well-financed Canadian public company focused on the exploration and development of mineral deposits in North America. Eros also holds an investment portfolio which includes 48,690,111 shares of Skeena Resources Limited, which is advancing exploration on 3 exciting projects, Spectrum, GJ and Snip, in the Golden Triangle of the Stikine Arch of northwestern British Columbia.
